

MARSHALLS IS BORING

by: Mia

Thanksgiving weekend I was going to Marshalls but I didn't want to go. I yelled "IT'S BORING!!!!!!!!!" Mom said we had to go to get snow boots. I face planted on the couch I didn't want to go because I knew it was going to be boring. I wanted to stay home and play video games. I was going with my mom, brother, and sister. We needed to buy snow boots. When we got there, clothes were everywhere. People were talking loudly. The noise bug me I WAS BORED!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! We went to the kids snow boots section and we bought snow boots. I got black boots and Gina got pink. Then we went home. It was not that bad after all.

Mia- Can you choose someplace to change the word "said" to something else?
