"I had to go to Marshalls to buy snow boots and I didn't want to go.

-There were clothes everywhere. People were talking loud.

-BORED

"Mom said we had to go to Marshalls to get snow boots. I didn't want to go because it was going to be boring. I wanted to play video games at home. When we got there, there were clothes everywhere and lots of people, talking loud. We went to the kids snow boots section and we bought snow boots. I got black boots, Gina got pink. Then we went home. It was not that bad after all.
